How to check your 26 AS:

The income tax department has now come out with NEW APP AIS.

Not necessary to login to efilng site to search for 26AS/ AIS.

Income tax department has released an android app by name 'AIS' available in play store and Apple Store. It is very handy and useful.

It shows pension credit, SB Interest, FD Interest, dividend from shares/mutual funds, TDS etc.

If you have already registered your mobile number and email id with the IT department, you will receive 2 separate OTP for verification purposes.

This may facilitate everyone who wish to file Income Tax returns.

Steps to be followed:

1. Go to Play store/ App Store
2. Search for "AIS". The app will appear with IT emblem
3. Download it.
4. Enter your PAN and Birth date.
5. TWO OTPs will come - one via SMS and another via your registered email.
6. Both have to be entered.
7. You have to set MPIN for accessing the app.
8. After setting and entering the MPIN, you can view AIS details.
